## BOARD OF EDUCATION.

Experiences Difficulty in Drumming Up a Quorum.

### THE SUPERINTENDENT'S REPORT.

Bills Reported by the Standing Committees—Librarian's Monthly Statement—The Lincoln School Building. Miscellaneous Business Transacted by the Board.

The board of education had some difficulty in securing a quorum last evening. Many of the members are out of the city, and Clerk Hall had to hustle to convene the required number to transact business. Colonel Miller was inveigled from a lodge meeting, Dr. Ulrich was caught at the Arion opening, and Mr. Charles Menkemiller was dragged out of the Opera House just as Mr. Leland Powers was in the midst of one of his most touching representations of Dickens' characters.

Finally the quorum was secured and the following business was transacted: The committee on buildings and grounds reported bills amounting to \$4,191.23, on account of the construction of the Lincoln school; and Shraoke & Son, of New Matamoras, Ohio, bills amounting to \$1,542.67, for stone work on the Lincoln school building, were approved and ordered paid.

A communication was received from the Board of Public Works notifying the board to relay the pavement on Seventeenth street in front of the Fourth ward school building.

Librarian Wilson's report for the past month stated that the circulation of books was 5,012; average daily circulation, 193; circulation in reading room, 1,015; amount received from fines, \$12.

The committee on accounts presented bills amounting to \$616.66, which were ordered paid.

The committee on library reported bills amounting to \$542.02, which were ordered paid. The accumulated copies of the London Graphic were ordered to be divided equally between the two hospitals.

Superintendent Anderson submitted the following report:

Enrollment for the month, 4,654; average daily attendance, 4,094; average daily absence, 277; per cent of attendance, 93. The amount paid for instruction was \$5,768. The total enrollment in the German department was 473; number of pupils of German parentage, 230; amount paid for instruction, \$195.

Miss Lucy Robinson, the musical instructor, submitted her report, showing a total enrollment for the month of September of 4,654, with 74 classes.

The bill of B. F. Caldwell for \$184 for repairs on the furnaces of the Fourth ward school house was ordered paid.

Mr. Maxwell wanted some necessary repairs done to the Seventh ward school, but as one member had sneaked out, leaving the board without a quorum, the body adjourned.

### Committee Meeting.

After the adjournment of the board of education the committee on buildings and grounds met in Clerk Hall's office and authorized Commissioner Eachus to make necessary improvements to the Eighth ward property to the extent of \$135.

### A. O. U. W. ANNIVERSARY.

The Committee Making Good Progress. The Prospect.

The promise now is that the A. O. U. W. anniversary celebration at Mozart park October 27, one week from to-day, will be as great a success as any event of the kind ever seen in Wheeling. The park inclosure will positively be ready for use, and the A. O. U. W. will be the first body to use it for a public gathering. The pavilion will also be enclosed, so that if the weather is bad the celebration will not be interfered with.

The committee of arrangements met last night, and good progress in the perfection of the details was shown to have been made. Five lodges from out of town have promised to take part in the parade and the subsequent celebration. They will be assigned to the middle of the column in the line of march. These lodges are from Fairmont, Steubenville, Moundsville, Benwood and Bellaire.

The six city lodges will appear in the parade with six elegant new banners, designating their names and numbers. Mayor Caldwell has promised to issue a proclamation requesting the citizens to decorate their houses and places of business along the line of march, and do everything they can to contribute to the success of the celebration, and it is to be hoped for the credit of the town that the response to his request will be liberal and general.

Several of the grand officers of the order from Pittsburgh and Philadelphia will be present and speak at the park during the formal celebration. The committee adjourned to meet again next Tuesday evening.

### The River Interest.

The C. H. Woods left at noon yesterday for Marietta, with a pretty good start. She got in from below at 4 a. m., which shows that the Marietta trade is altogether too long for her capacity. The river fell during the fore part of the day, but last evening was again rising, with 7 feet 5 inches in the channel. Greensboro, Pa.—River 7 feet and falling; clear and warm.

Morgantown, W. Va.—River 5 feet 11 inches. Fair and warm. Oil City, Pa.—River 2 feet 1 inch and falling. Clear and pleasant. Warran, Pa.—River 1 foot 9 inches and falling. Cloudy and warm.

SHOES—ALEXANDER.

### Men of Good Standing

In this town are standing in our shoes—we don't mind that; they are paid for the privilege. That is one reason why they stand good—and walk comfortably. Every one of them is wearing

### THE "PHIT-EESI" SHOES.

which have no equal in the way of a glove-fit for the feet. Wear ready to make a bet that any man who wears a "PHIT-EESI" shoe will never care for any other kind of footwear. He knows he can't get better, no matter what price he pays for them.

### STOLEN WATCH RECOVERED.

A Railroad Man Is "Touched" for His Jewelry.

Last evening a railroad engineer whose home is at Connellsville, complained to the police that he had been robbed of a watch, a chain and charm. He said he went into Ann Keim's house, in Alley C, Second ward, and while he was lying on the bed a girl took the jewelry. He did not know her name, but from his description Officer Watson recognized Jessie Morrison, a well-known inmate of the house.

The police were all notified to be on the lookout for her, and a search was made at the railroad stations and on the South Side. Finally Officer Ritz found her up about Third street, making her way to Martin's Ferry, and he took her into custody.

At headquarters she denied all knowledge of the stolen articles, but Lieutenant Gaus noticed she was very careful of one of her shoes, and making her take it off he found in it parts of the chain and the crushed charm.

After this discovery it did not require much persuasion by the suave lieutenant to induce her to confess, and she took him up into the Second ward, where the watch had been hid in an unsavory spot. It was recovered and the girl locked up. Whether she will be prosecuted has not yet been decided.

ALL miserable sufferers with dyspepsia can be cured by Simmons Liver Regulator.

### A NUMBER OF CASES

Disposed of Yesterday by Justice of the Peace Gillespy.

Last evening Rose Jacobs was arraigned before Squire Gillespy on two charges, one of profane swearing and the other of "contending with loud and angry words tending to a breach of the peace and against the peace and dignity of the state." After hearing a cloud of witnesses the accused was fined \$1 and costs in each case.

Foot Woods was up on a charge of assault. Both assailant and assailed were children, and the case grew out of a family fuss in the Second ward. The justice fined Foot \$5 and costs.

A hearing was given Charles Early in the office of the county jail last night on the seven different charges of illegal cohabitation with Dora Stewart, each covering a different period of time. He was fined \$20 and costs in each case, and in default of payment was sent to jail for forty days in all. Dora got the same penalty.

### DIED.

LADD—At her home in New Haven, Conn., on Thursday, October 19, 1893, of pneumonia, Mrs. CORNELIA TALMAN LADD, daughter of the late John C. Talman, of Bridgeport, Ct.

Taken away—sick headaches, bilious headaches, dizziness, constipation, indigestion, bilious attacks, and all derangements of the liver, stomach and bowels. It's a large contract, but the smallest things in the world do the business—Dr. Pierce's Pleasant Pellets. They go to work in the right way. They cleanse and renovate the system thoroughly—but they do it mildly and gently. You feel the good they do—but you don't feel them doing it. As a Liver Pill, they're unequalled. Sugar-coated, easy to take, and put up in vials, and hermetically sealed, and thus always fresh and reliable.

A perfect vest-pocket remedy, in small vials, and only necessary for a laxative or three for a cathartic.

They're the cheapest pill you can buy, because they're guaranteed to give satisfaction, or your money is returned.

You only pay for the good you get.

Can you ask more?

That's the peculiar plan all Dr. Pierce's medicines are sold on, through druggists.
